Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Friday 26 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Becoming exceptionally windy late Friday, into Saturday. Snow over hills.

Today:
A cold, windy day with sunny spells. Mainly dry after morning showers. Rain, sleet and gales moving in from the north later, with snow on higher ground. Maximum temperature 6 deg C (43 deg F).

Tonight:
Exceptionally windy this evening, with potentially damaging gusts likely. Cold with outbreaks of rain, sleet and snow, heavy at times. Snow mostly over hills, but perhaps to some lower levels. Minimum temperature -1 deg C (30 deg F).

Saturday:
Very windy and cold with outbreaks of rain, sleet and snow, turning more showery later. Snow mostly over hills. Maximum temperature 5 deg C (41 deg F).

Outlook for Sunday to Tuesday:
Still some coastal showers Sunday, otherwise bright and less windy but cold. Monday, bright and cold. Cloudier, windier and milder Tuesday with some rain.
